

FORMER CF-5AF

ADJUSTMENT FREE CASE FORMING & PACKING STATION

Loveshaw offers the **CF-5AF**, a semi-automatic case former that doubles as a pack station. The **CF-5AF** is a unique and economical option to help form and pack your cases. It requires no adjustment as you change case sizes* and can be combined with any Uniform or Random Little David Case Sealer for a complete Form, Pack and Seal solution.

Can be used as a semi-automatic case former. Pair it with any bottom only Little David case sealer to reduce labor requirements associated with manual case forming and bottom sealing.

PERFORMANCE & DESIGN FEATURES:

Simple Design and Durable Construction

Requires less maintenance, minimal operator training

Adjustment Free

Ideal for random applications or frequent case changeover

Economical: 40% less than CF-5 semi-automatic case former

*Centering guide requires adjustment if being used to form boxes in uniform mode

LITTLE DAVID

CF-5AF
