# LD-19SB

## Low profile/narrow uniform case sealer

The LD-19SB is an industrial grade, high performance case sealer from Little David®.

This case sealer is designed to seal low profile and narrow case sizes and is unrivaled in its efficiency, easy-of-maintenance, and durability.

The LD-19SB needs only 2 adjustments for the height and width of the case. The adjustments are fixed in place to process a series of uniform cases. Cases are top and bottom sealed with either 2" or 3" tape.
